Brand new! Our new Debit Card is finally here!

We are delighted to announce the arrival of our new Debit Card. We partnered with the well-known and highly trusted company **INTERCASH**.

You can start ordering the card as of: 05-05-2017

You can order the card directly via your back-office. Please note you will be requested to provide a copy of a utility bill in your name which will be safely stored at CFI.

The rules are as follows:

- Purchase price: EUR 20.00 card cost + EUR 20.00 deposit + EUR 5.00 loading fee
For a total of EUR 45.00 you will be able to order the new card with a basic level (without ATM access), which would allow you to upload a total of EUR 2500.00 yearly. EUR 20.00 will remain as a starting deposit on your card.
- If you want to increase the yearly upload amount, simply go to upgrade in your Card Portal and choose Stage 2. You will be requested to provide a copy of your ID and a copy of a utility bill in your name. These will be stored directly with Intercash not with CFI.
The second stage would allow yearly uploads of up to EUR 80.000.
- In case you are interested in an even higher stage which represents a yearly upload of EUR 200.000 please contact Intercash directly after your initial registration with them.

Once you completed your registration the card will arrive within 10-15 days from the time it is requested.*

You have the option to choose between Euro or US Dollar currencies.

You can take care of all account settings and view transaction overviews etc., directly via your Intercash Card Portal. Your card can be used for online shopping and sending of funds to other Intercash Card Holders and if on stage 2 or higher for withdrawing cash from your local ATM.

Withdrawals from your CFI e-wallet will be as easy as possible and next to transfers to your personal bank account you can then also withdraw directly onto your new debit card, simply follow the instructions visible in your CFI back-office.

Happy Crowdfunding!
